

Dr. Franz Sinabell

Agricultural economist
Austrian Institute of Economic Research (WIFO)

Role in LAMASUS:

Leads Work Package 1 –
Multilevel Stakeholder dialogue and innovative
Governance Approaches

Biography

Franz Sinabell is Senior Economist at WIFO and has been working in the Research Group "Climate, Environmental and Resource Economics" since 2002.

He works in the fields of agricultural and food policy, environmental and resource economics and risk management. From 2008 to 2012 he was Deputy Director of WIFO. He lectures at the University of Vienna and the University of Natural Resources and Life Sciences.

He is an expert advising the Commission on the preparation of the annual report on the economic situation of agriculture and he is a board member of the Austrian Society of Agricultural Economics. In the course of his career he was involved in numerous national and international scientific projects. In many cases he was project coordinator.

He has conducted studies on agricultural and food policy issues for the World Bank, OECD, the European Commission and national clients. He is the scientific coordinator of numerous studies on the impacts of climate policy and the Common Agricultural Policy in Austria.
